

## About Us

Dedicated to the purpose of maintaining and promoting the status of civil engineering as an ideal profession, TCNJ CEHS was organized to recognize the characteristics of the individual civil engineer deemed to be fundamental to the successful pursuit of an engineering career, and to aid in the development of those characteristics in the civil engineering student.

Engineering, the application of scientific principles to the practical needs of society, is assuming a constantly increasing responsibility for the physical well-being of all people, and thus calling for competence of the highest order. This responsibility can be discharged only by a professional group whose members are possessed of good basic technical ability, intelligence, moral integrity, and effective social poise in their relationship with the larger community of which they are part.

To contribute to the improvement of the profession, TCNJ CEHS fosters the development and exercise of sound traits of character and technical ability among civil engineers, and its members, by precept and example, toward an ever higher standard of professional service.

# TCNJ CEHS Fall Induction Ceremony 2017

## FALL SEMESTER NEWSLETER

CEHS Alumni, Lauren Santullo & Alberto Torres, teach about their senior project and graduate school to the Civil Engineering Juniors and Seniors

All CEHS members took part in our October Halloween Social where we carved pumpkins!

The new CEHS Members assisted Dr. Stella with moving into her new office. Our members were responsible for fabricating legs to support her desk and for securing the hutch piece to the desk.

Anthony, Mickey, & Danielle attend the TCNJ Civil Engineering Advisory Meeting. They had a chance to provide input to the civil staff and change the curriculum.

Congratulations to the CEHS Fall 2017 Class. Your Hardwork and determination has landed all eight of you a spot in the society. Great things are expected

The first activity the CEHS ever did was the campus wide garbage pickup and it was great! We collected around 30 bags of garbage!

Tired of no food in ArmstrongHall? The CEHS brought it back with a bag of assorted chips. More recently we have been selling PB&J and Grilled Cheese!
